Wants Big Damages.

F. M. Barr, a Joplin contractor, has sued H. L. Jaqueth and R. M. Gilman for \$15,000. Barr claims the amount as damages for injuries sustained early last summer in Joplin when he was struck by an automobile driven by Mr. Gilman. Mr. Gilman claims, and has returned vouchers to show that a short time after the accident he settled with Barr, through Barr's brother, paying Barr \$500 and securing his release from any further liability in the matter. Papers to that effect, signed by Barr, Mr. Gilman claims are in the hands of a Joplin attorney. Unless a settlement is made the case will be tried in the March term of district court at Galena. R. E. Rosenstein, a Baxter attorney, has been retained by Jaqueth & Gilman.

Mr. and Mrs. H. C. King have returned from Mississippi where they have been for the past three weeks on a wedding trip. Mr. King has resumed his duties as salesmanager for the Baxter house of the Commerce Motor & Supply Co., the Studebaker agents until a new house, which Chas. Goodeagle is building, is ready. Mrs. King will spend the time partly boarding here with her husband and partly with her parents at Webb City. During their southern trip Mr. and Mrs. King visited the former's parents and other relatives in his old home at Midnight, Miss., and made side trips to Vicksburg, Miss., Memphis, Tenn., and other points of interest.

The Best Recommendation

The strongest recommendation any article may receive is a favorable word from the user. It is the recommendations of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Amanda Gierhart, Waynesfield, Ohio, writes, "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." Obtainable everywhere.

School Notes.

The school, on the night of Monday, March 19, will give an opera entitled, "Princess Crysanthemum." The parts will all be taken by high school students. The play is under the supervision of Miss Hazel Rowe, music director. Parts assigned and further information will be had at an early date. We feel sure that the town people will encourage the play by attending when the time comes.

With the money that the school obtained by marching in the parade on Anti Day, a large American flag has been purchased and now floats in front of the schoolhouse. The flag is 6x12 and has sewed stripes and stars. What money that wasn't spent for the flag was spent in toggling the basketball boys for their game with Columbus.

The Junior class gave a weiner roast Thursday night which was well attended, the whole school having been invited. Miss Margaret Opperman chaperoned the party and they went to the reunion grounds. Everyone had a fine time and arrived home at an early hour.

Now that nice weather has come again you can see the boys out on the basketball court most of the time.

The high school boys' Glee Club sang at the Presbyterian church musical last Friday night.

COMING BACK

UNITED DOCTORS SPECIALIST WILL AGAIN BE AT

Galena, Kansas

Bank's Hotel

Wednesday, February 28, 1917.

ONE DAY ONLY

HOURS 9 A.M. TO 6 P.M.

Remarkable Success in the Treatment of Chronic Diseases

Offer Services Free of Charge

The United Doctors Specialist, licensed by the State of Kansas, for the treatment of all diseases, including deformities, nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of treatment. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

The United Doctors are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, rheumatism, sciatica, tapeworm, leg ulcers, weak lungs and those afflicted with long-standing, deep seated, chronic diseases that have baffled the skill of the family physician, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operation for appendicitis, gall stones, tumors, goiter, piles, etc., as all cases accepted will be treated without operation or hypodermic injection, as they were among the first in America to earn the name of "Bloodless Surgeons," by doing away with the knife with blood and with all pain in the successful treatment of these dangerous diseases.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn-out and run-down men or women, no matter what your ailment may be, call, it costs you nothing.

Remember, this free offer is for this visit only.

Married ladies come with their husbands and minors with their parents.
